OLD "BRACER" GOES TO JAIL

Judge Whitney Gives
Vag 10 Cents And
90 Days

GIRLS SCOLDED FOR HAIR-PULLING CONTEST

REPRIMANDS AND CONTINUAN- CES IN PLENTY IN POLICE COURT—TWO CASES AWAIT GEAR.

Today in Police Court was full of
continuances and reprimands. But one
ticket to the Reel was issued and
that is good for ninety days.
James Newton, an all-around vag, got
the three months' bill-of-lading to the
bustle. Detective Lake told the Court
that Newton was a "bracer". The
Court wanted to know the meaning of
the term. Lake explained that a
"bracer" is one who makes a habit of
striking anybody and everybody for
small change. Judge Whitney there-
upon remembered that Newton had
"braced" him for ten cents on the
street the other night.

While Stokes was up for chastising
his life-partner, Mrs. Stokes pleaded
for mercy and Willie was reprimanded
and discharged.
Louis Renning was asked to contrib-
ute \$3 plus \$1 for fine and costs for
overindulgence in liquor. When the
Palama model coffee saloon opens,
Renning may have these little ex-
penses. Fujiyama did not permit Ren-
ning to monopolize all the stuff men
put in their mouths to steal away their
wits, and he, too, dug up the \$3 plus
\$1. So the Territory is \$8 better off.

Medias Kihimaka had indulged in a
fracas with his brother. Justice
handed out a reprimand, with suitable
philosophy and ordered the gentle-
man's discharge.
Leliehua Akana, a young lady of
considerable charm, was on the carpet
for 1916 reasons, which section covers
"slight corporal injuries." Sweet Lelie-
hua had a strenuous quarrel with an-
other maiden. She claimed that she
was full of liquid inspiration at the
time of the tussle. Her fighting com-
panion thought this was true; she was
not certain for strong drink had tam-
pered with her recollection. Judge
Whitney scattered a few adverbs and
told the girls to get and behave.

Al Kwai had assaulted another Ce-
lestial. His troubles went over until
Saturday.

Al Tong is alleged to have sold
dope. He wants the assistance of a
lawyer and was given until Saturday
to take his pick of Honolulu's brilliant
attorneys.

Five disciples of Confucius, mixed
up in the Pawaia rice-field row, in
which weapons were prominent, had
their case go over till Monday. They
are represented by Judge Gear, who is
absent from the city.

The matter in which Assistant Sher-
iff Henry C. Vida and Officer C. A.
Wills, one of the biggest men on the
force, are charged by Judge Gear with
forcibly ejecting him from the plant
ers' premises at the quarantine wharf,
comes up next Wednesday.

Kekahola Palenapa, charged with
larceny, awaits Saturday for trial. He
is represented by A. G. M. Robinson,
who is at present busy in Circuit Court.

John Kaimi, alleged to have been
mixed up in the stealing of a child
will be heard Tuesday next.

LAWSON'S COMPLIMENTS.

Boston, March 22.—All of Thomas
W. Lawson's ducey was drawn out
by the dispatch which the Butte Min-
ers' Union sent to him and his reply in
as smooth as treacle. It is as follows:
"To the Butte Miners' Union: Frank
O'Connor, President; William Ham-
boy, Secretary; Butte, Mont.
"I thank your union for its prompt
and courteous treatment of my state-
ment, which cost your union nothing
to receive.
"I think you are in error in your
reference to the Heinze-Cole-Ryan-Rogers
gang being bucket shop operators. They
are stock jobbers all right, but I do
not think they have yet sunk to that
depth of all depravity—bucket
shop operating. I am pleased to know
you do not need their help.
"You are also in error about my at-
tempting to depreciate Butte property
by attacks on the Butte banks.
"Again you are in error about my
wanting the aid of your union in any
of my work. I would welcome the co-
operation of your magnificent body in
any work of mutual interest I might
be engaged in, but at present I am en-
gaged in no work which I am not able
to push to complete success without
the aid of any one.
"I would respectfully ask your union
to frame my statement and your cour-
teous reply, and if you members do
not care upon them which twelve
months through that pickled mist
which seals while it chafes I will
come to Butte to present myself to
your esteemed union for a football or
punching bag.
"Am mailing you check for cost of
your courteous telegram.
"THOMAS W. LAWSON."

Members of the Medical Society of
San Francisco will be asked to ex-
plain why they have given certification
of purity of milk to a dairy where sick
cows have been discovered and where
features of uncleanness exist. The
certificates have been used in obtain-
ing higher prices for the milk.
